### **Financial Knowledge, Around Every Corner of You**

#### **— Bangkok Bank (China) Entering Neighborhood Committee for “Popularization of Financial Knowledge” in 2015**

On September 15, staffs from Bangkok Bank (China) Company Limited (“Bangkok Bank (China)”) Head Office and Shanghai Branch went to the “Neighborhood Committee of No. 1 East Zhongshan Road” during the “Popularization of Financial Knowledge” publicity month to give a lecture on promoting the financial knowledge to the elderly there.

On July 31, the People's Bank of China officially announced that a new version of RMB 100 note would be issued on November 12, 2015. Bangkok Bank (China) staffs prepared old and new photos of RMB 100 note to make clear contrast and explained in details about the change of design, which received active feedback from the elderly. “Rules on Deposit Insurance” is another newly issued policy this year, staffs displayed interesting cartoon pictures to illustrate the basic concepts for easier understanding. By showing its usage and influence, “How to Get Your Credit Report Online” was also introduced. Staffs emphasized the importance of personal credit report in daily life and highly encouraged the elderly to share the knowledge to their family members.

It has been the third year for Bangkok Bank (China) to enter the neighborhood committee to publicize financial knowledge, which achieved notable results so far. Bangkok Bank (China) will make efforts to bring financial knowledge to more people in the way of accomplishing corporate social responsibility in the future.
