“The Power of Thai” ·Caring for Left Behind Children

— Bangkok Bank China Winter School Uniform Donation Activity

Between November 25-27, 2016, “The Power of Thai” volunteers from Bangkok Bank (China) Company Limited (“Bangkok Bank China”) Head Office and Shenzhen Branch paid a return visit with Shanghai Smiles Foundation to Gulin Cheng Long School, the only non-governmental primary school so far which specifically enrolls “left behind children” in Gulin County, Sichuan Province, and donated winter school uniforms to all the students there.

During the cotton shoes donation activity last year, Bangkok Bank China volunteers noted that most of the students there only wore shabby and thin clothes in cold weather and were lack of a large number of equipment after study. Heard of the situations, Bangkok Bank China staffs later donated a series of sporting equipment as individuals to the school. What is the current condition of the donated equipment? How could the students there live through this winter? These questions led Bangkok Bank China to start the journey again to pay a return visit while giving winter school uniforms to all the students there to help them establish self-confidence, build up team work ability, enhance the school's entire public image and boost up the honor of collectiveness. During the activity, the volunteers also brought school and living supplies to the students and revisited several impoverished families to encourage the students to live a healthy life, grow up happily and grasp more scientific and cultural knowledge.

Always remember the initial intention can one expects to go further. Bangkok Bank China has conducted the donation activities under “The Power of Thai” project for students in remote mountain areas for three consecutive years since 2014. It helps to improve the study and living environment for the students and make them feel the
