### Bangkok Bank China Donation Activity in Year 2021

Recently, Bangkok Bank (China) Company Limited (“Bangkok Bank China”) donated winter cotton shoes to all the students from Gulin Cheng Long School in Sichuan Province with the support of Shanghai Smiles Foundation and conducted annual “The Power of Thai” charity project, bringing warmth to the students during the cold winter.

Affected by the recent severe epidemic situation, this year’s donation ceremony was held offsite. Volunteers from the Head Office, Beijing Branch and Chongqing Branch prepared encouraging and blessing videos, hoping to make the students feel the warmth of society and encourage them to study hard and grow up happily. With the help of school teachers, the donation ceremony was held at the theme class meeting. The students watched the video, took over the cotton shoes, and beamed with smiles. In order to express their gratitude, the students also made hand-painted grateful cards to give back to the bank volunteers, and recorded videos. Knowing that the long-term donation activities were held again this year, the parents of the students also expressed their gratitude to the bank and school teachers.
